BUNTING

INSTRUCTIONS

Step 1: Based on the length of your bunting string, work out how many bunting flags you think you will need.

Step 2: Print out the required number of flags.

Step 3: Carefully cut out the bunting flags with a pair of scissors, following the dotted line.

Step 4: Evenly space the flags along a piece of string or ribbon. Fold the top edge of the bunting over and stick down either with glue or sticky tape.

Step 4: Stick either end of the string or ribbon to a wall with either sticky tape or a pin.
