# VIRTUAL BABY SHOWER GAMES

## CHARADES

A fun group game with a twist. Guests will be split into teams, with each member taking a turn to “act out” a word or phrase relating to either a children’s film, TV programme or book. A set time will be given for each team to guess the correct answer. The winning team will have answered the most phrases correctly.

## TAKE OUR TRUE OR FALSE QUIZ

Print off our quiz and see if your guests know the answer to some pregnancy facts.

## PLAN A TIME CAPSULE FOR THE BABY

Ask guests to write messages to the baby for when they reach 18. They could write wishes for their future, an embarrassing fact about the parent-to-be, or a piece of advice they would tell their 18 year-old selves. Everyone should keep their messages safe until you can all get together again.

## BABY EGGHEAD

A great game to get creative. Ask each guest to paint or draw a baby on to an egg in 10 minutes. The most realistic looking baby on the egg wins.

## THE SIZE OF THE BUMP

Ask your guests to cut up some pieces of string and guess how big the parent-to-be’s bump is. Guesses can be sent directly to the host, then at the end, the parent-to-be takes her actual measurement. The nearest to the real size is the winner.

## WHO’S THE BABY?

Ask your guests in advance to send you a baby photo of themselves and display them for all to see virtually. Guests take turns at guessing who the baby is. The winner is the guest who guesses the most correct answers.
